TRUMAN MEDICAL CENTER CHARITABLE FOUNDATION

ANNUAL REPORT

July 1, 2009 – June 30, 2010

TMC

The Truman Medical Center Charitable Foundation builds community engagement and inspires donors to generously support the state-of-the-art, comprehensive and accessible healthcare provided by Truman Medical Centers.

Dear Friends,

Tom Holcom

On behalf of the Truman Medical Center (TMC) Charitable Foundation, I want to thank you for your support. I am pleased to share with you this Annual Report for Fiscal Year 2010. In these pages you'll read about TMC projects and programs made possible by philanthropic support and directly benefitting our community.

The past year has been memorable for us. In addition to holding our three major fundraising events, we hosted our first-ever combined-board event in June, bringing together the TMC Hospital, Charitable Foundation and Lakewood Philanthropy Boards of Directors to discuss the changing climate of healthcare and opportunities for collaboration to ensure the continued success of TMC.

We also launched Passion Teams, an idea conceived at the Charitable Foundation Board's strategic planning session in 2009. Passion Teams consist of board members, community volunteers, and staff members whose passions are aligned with important hospital programs such as Clinical Services, Healing Arts and Behavioral Health.

In this challenging financial climate, our Board of Directors has taken special care to make sure that your donations are spent as efficiently as possible in order to maximize the impact your gift has on the patients served by Truman Medical Centers. Each member of the Charitable Foundation staff takes their responsibility to be good stewards of your donations very seriously and has done an exceptionally good job of it this past year.

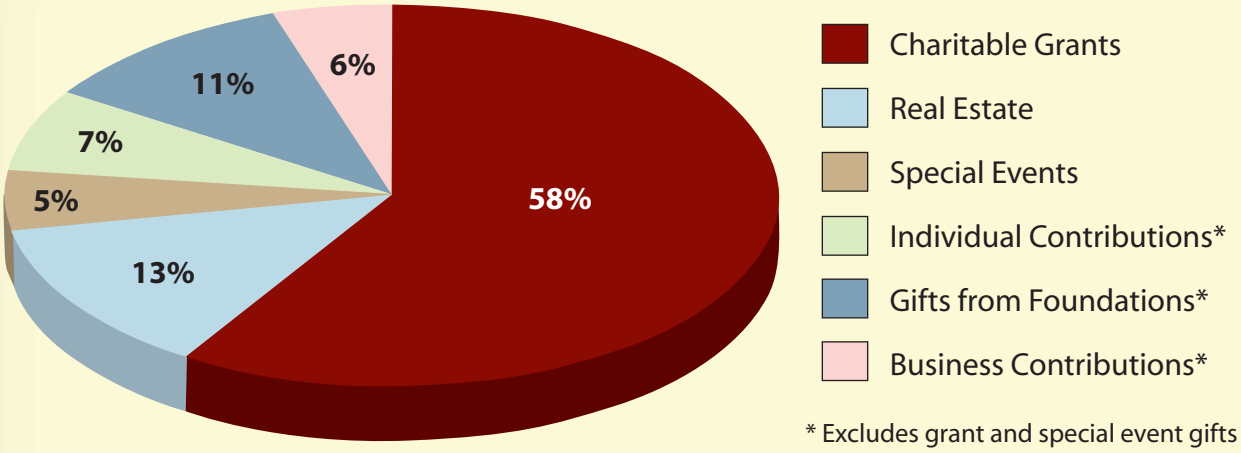
Finally, as I conclude my two-year service as board chair, I am pleased to turn over the post to Joy Wheeler. Joy has been a long-time advocate and friend to TMC. She has served on the Board since 2006 and will make an excellent chair.

Again, thank you for your generous support of TMC.

Sincerely,

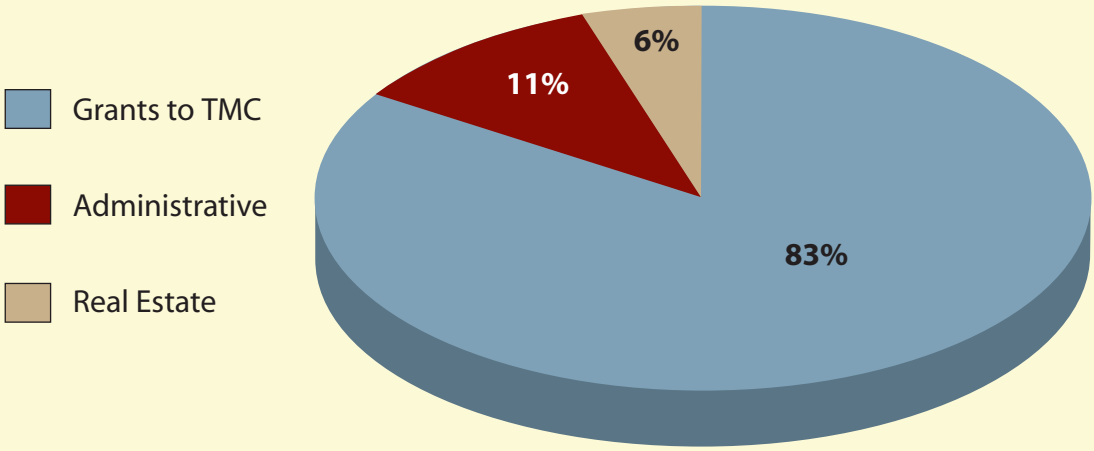
Tom Holcom
Chair, Board of Directors

Charitable Contributions & Other Revenue
$9.2 million



* Excludes grant and special event gifts

Expenses
$9.4 million



- Between July 1, 2009 and June 30, 2010, the TMC Charitable Foundation (CF) received more than $8.1 million in charitable contributions and grant payments.
- TMC CF distributed more than $7.8 million in grants to TMC to support its mission.
- Over the past fiscal year, 1,147 individuals, foundations and corporations made charitable gifts to TMC.
- During its 2010 funding cycle, The United Way of Greater Kansas City awarded TMC $125,000 for uncompensated care in outpatient clinics. TMC was one of the only United Way agencies to receive a larger gift (19% increase) than the previous year.
- TMC CF received the second installment of a $5 million grant from the Hall Family Foundation benefitting both cardiology and women's health.
- The Health Care Foundation of Greater Kansas City provided $2.3 million – part of a $7.5 million multi-year grant – to support bed expansion at TMC Hospital Hill and Behavioral Health. TMC has received a total of $9.9 million from the Health Care Foundation of Greater Kansas City.
- Proud to be Truman, TMC's Employee Giving campaign, raised more than $75,000 to fund employee initiated projects across the hospital. The participation rate by all employees almost doubled this year.
- The TMC CF launched the TruFACES Direct Patient Care Fund. The FACES acronym stands for "Fundamental, Accessible, Compassionate, Everyday Services" and helps offset the cost of uncompensated care. In its first year, nearly $150,000 was raised for this fund.
- TMC CF Special Events collectively raised nearly $400,000 and reached an audience of more than 1,000 – many of whom were new to TMC and its mission.

In FY10, the TMC Charitable Foundation focused on raising funds for several priority projects and ongoing programs, including those featured on the following pages. Each of these projects and programs is possible thanks to the philanthropic support of our generous donors.

Lakewood Family Birthplace

The TMC Charitable Foundation is currently conducting a $4 million capital campaign called Hello Baby! to fund Phase II of the Lakewood Family Birthplace expansion and relocation. TMC Lakewood and the Family Birthplace play an important part in fulfilling our mission and are vital to the health and wellness of our area's most vulnerable population. Thousands of infants and their families will benefit from the generous support of our donors.

Professional models walked the runway displaying the latest styles and trends from ten local/independent boutiques and designers.

Two of the TMC Charitable Foundation's signature events — Fashion For A Cause and Golf Baby Golf! — raised funds for the Lakewood Family Birthplace project in FY10.

Fashion For A Cause

More than 900 people gathered at the Midland Theatre Sunday, May 2, 2010 to see the fifth anniversary edition of Fashion For A Cause. Ten area boutiques/designers showcased their fashions on the runway. In addition, the event featured Take a Chance on Fashion and a Fund-A-Need, which combined raised more than $22,000. The event raised $150,000 net and resulted in a 15 percent increase in attendance and a 75 percent increase in the number of cash sponsors from 2009.

Abby Albers and Chadwick Brooks were co-chairs for the fifth anniversary Fashion For A Cause. Together they led a workforce of more than 100 volunteers who made the event another great success.

A rendering of the new Lakewood Family Birthplace, which will finish construction upon the completion of the $4 million Hello Baby! campaign.

Golf Baby Golf! 2010 Bogey Sponsor, Team CINTAS Document Management: Joe Cavanaugh, Sally Bodenmiller, Glen Boor, Ben McLaughlin.

The second annual golf ball drop raised more than $10,000 at the Golf Baby Golf! tournament.

TruFriends, the young professional society that supports TMC, had a great time sponsoring one of the Golf Baby Golf! drink stands. Eric Harland, Kasia Ochs, Liz Anne McElhaney, Mike Gates and Karen Carrill.

Golf Baby Golf!

On Friday June 25, 2010 the Charitable Foundation hosted the fourth annual Golf Baby Golf! tournament at WinterStone Golf Course in Independence. Last year the *Independent* magazine named Golf Baby Golf! among the best charity golf tournaments in Kansas City, and this year's event was even better! More than $10,000 of the $115,000 net raised was through the Second Annual Golf Ball Drop, in which more than 1,400 golf balls were dropped from a helicopter onto a practice green. Each ball was individually numbered, and the three closest to the pin won prizes.

Behavioral Health

The third of TMC Charitable Foundation's signature events, Benefit at the Bristol, raises funds for TMC Behavioral Health programs. TMC Behavioral Health is a leader in providing mental health and substance abuse services to the people of our community. Each year, TMC Behavioral Health helps more than 17,000 clients. For the past 14 years, the annual cocktail party at the Bristol Seafood Grill has benefited these clients.

Guests at the October 19, 2009 event viewed the Sunshine from Darkness juried art exhibit featuring the work of Kansas City artists with mental illness, and congratulated the recipients of the 2009 TMC Behavioral Health Award for Contributions to Mental Health Awareness: Frank Murphy and BlueCross BlueShield of Kansas City. The event, considered to be one of Kansas City's premiere charity events, raised more than $110,000.

Benefit at the Bristol event chair Joe Weinrich with Hank Herrmann of Waddell and Reed Financial, Inc., the event's presenting sponsor.

Benefit at the Bristol guests enjoyed the biennial Sunshine from Darkness Exhibit featuring artists who are TMC Behavioral Health clients.

The event's honorary chairs Keith and Margi Pence (right) share a moment with TMC board chair Bucky Brooks and his wife, Beverly.

Community Wellness and Chronic Disease Management

Philanthropy plays a major role in TMC's corporate vision of "leading the way to a healthy community." This vision is pursued through innovative chronic disease management and employee/community wellness programs.

Guided Chronic Care™ (GCC) is a joint project between TMC and the University of Missouri at Kansas City School of Medicine, developed in response to the disproportionate number of low-income, minority populations suffering from chronic illnesses. GCC uses a team approach to work proactively with patients and their families to address family, social and community support issues. This team provides support between clinic visits and collaborates with the medical team. Through the GCC program, we expect to see fewer missed appointments, fewer patients coming in through the Emergency Department, fewer hospitalizations and improved health over the long term for the patients in the program. This new program was made possible through a start-up grant given by the Health Care Foundation of Greater Kansas City.

Another TMC community wellness initiative made possible by gifts from the community is the *Healthy Harvest Produce Market.* Recognizing that health begins with eating well, the weekly market is just one way TMC provides access to delicious, fresh food throughout the hospital. The market offers fresh fruits and vegetables, along with nutritional information and suggestions for food preparation to TMC patients, employees and the surrounding community.

Employees – as well as patients, visitors and community members – shop at the Healthy Harvest Produce Market Wednesdays at the TMC Hospital Hill Pavilion. The market is made possible through a partnership among Blue Cross Blue Shield of Kansas City, C&C Produce and Morrison Healthcare Food Services.

More than 7,000 procedures were performed last year in TMC's oncology center.

Patient Navigator

Patient Navigator is a service that helps cancer patients through the emotional period from diagnosis through treatment. Thanks to continued philanthropic support from American Cancer Society, Greater Kansas City Affiliate of Susan G. Komen for the Cure and Back In The Swing and other gifts, the service is offered to TMC oncology patients for free. Patient Navigator provides emotional support and guidance, help with transportation, child care while patients are at TMC Hospital Hill, information on treatment, side effects of medication, hair wigs, nutrition and more.

Patient Navigator will continue to be important as the TMC Charitable Foundation begins its campaign to raise funds for the Oncology program and facility renovations in FY11.

StartRight Teen MOMs

TMC Hospital Hill serves more teen mothers than any other healthcare agency in the area. To help these youngest and most vulnerable mothers, TMC established the StartRight Teen MOMs program. This program, funded largely through the generous support of TMC donors, reaches approximately 1,500 people annually through mentoring, support groups, monthly activities and LifeSkills training. The most impressive outcome for the Teen MOMs program is that repeat teen pregnancies are rare among our clients. Through its 13 year history, the repeat pregnancy rate has averaged less than 4 percent per year for Teen MOMs participants.

Dads-to-be are invited to participate in StartRight Teen MOMs classes. Herbert Vincent Jones, Jr. Foundation, Bank of America Trustee and Kansas City Power & Light are two significant donors who made this program possible.

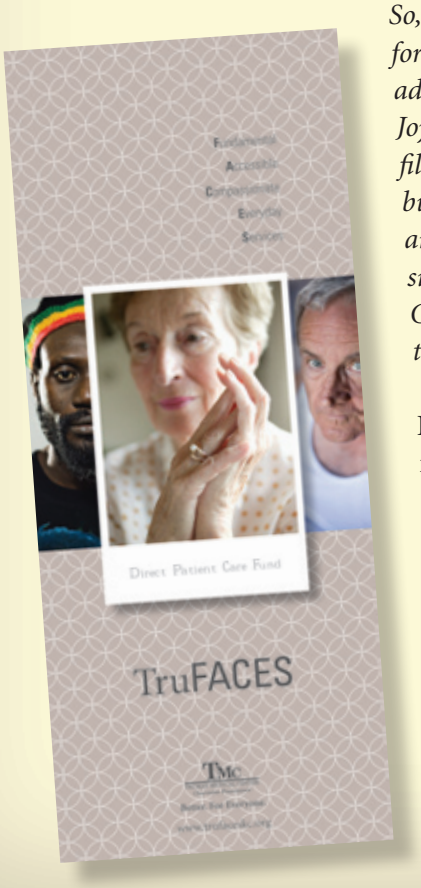
TruFACES Direct Patient Care Fund

Recognizing the significant role uncompensated care plays at Truman Medical Centers, the TMC Charitable Foundation launched a direct patient care fund to offset the cost of this care and provide essential services to our patients. These essential services become even more important in times of economic uncertainty with an increased number of individuals losing their insurance and relying on TMC for charity care.

The FACES in the fund's name stands for Fundamental, Accessible, Compassionate, Everyday Services. Through this fund, the Charitable Foundation has an opportunity to broaden our donor base while sharing the stories — and faces — of some of the grateful TMC patients who benefit from the generosity of our donors.

One such story is Joyce's.

Joyce arrived at the TMC Emergency Department with what she thought was pneumonia. She'd been suffering symptoms for weeks but tried to ignore them – partly because she didn't have insurance, and partly because she didn't have time. While Joyce is not employed outside of the home, she does have a full time job – caring for her husband, a thoracic cancer survivor. Joyce's husband received his cancer diagnosis at TMC years ago, and Joyce was forced to quit her job to take care of him. Throughout his treatment, Joyce became familiar with TMC and was impressed with the level of care and service her husband received. So, years later, Joyce knew where to turn for her own healthcare needs. After being admitted to the ED, an x-ray showed that Joyce was actually suffering from heart issues that had caused her lungs to fill with fluid, requiring her to have a stent. Joyce still cares for her husband, but she's also learning to take care of herself. She walks as much as possible and attends cardiac rehab three days a week at TMC. She hasn't missed a single session in more than three months. Joyce believes that Truman Medical Centers is the reason she and her husband are alive today, and she's making the most out of every moment.



In FY10, gifts to the TruFACES Fund totaled just under $150,000. For more information on the TruFACES Direct Patient Care Fund or to read more patient stories, *visit www.trufaceskc.org.*

The Truman Medical Center Charitable Foundation Societies and Fiscal Year 2010 Honor Roll of Gifts

Charitable Foundation board chair Tom Holcom and his wife, Denise, flank the 2009 Benefit at the Bristol co-chairs Sharon and Joe Weinrich. Margi and Keith Pence served as the event's honorary chairs.

Heritage...A Gift of Lasting Value... Preservation, Continuity and a Continued Legacy for the Future.

Members of the William Volker Heritage Society have helped to ensure Truman Medical Centers' future growth by including the TMC Charitable Foundation in their wills and in other estate plans. William Volker's pioneering philanthropy enhanced hospitals, schools and people's lives in early 20th-century Kansas City. A gift from his estate created the TMC Charitable Foundation. Volker Society members' names are displayed on the Donor Wall of Appreciation at TMC Hospital Hill.

Touchstone...A Basis for Comparison. That Reference Point Against Which Other Things are Evaluated and Measured.

The Touchstone Society honors lifetime giving by individuals, businesses, foundations and organizations to the Truman Medical Center Charitable Foundation. Every Society member has provided cumulative cash gifts of $25,000 or more. Each of them personifies the TMC commitment to provide quality healthcare to the Kansas City community. Names of Touchstone members are listed on the Donor Wall of Appreciation at TMC Hospital Hill.

Steppingstone...The Opportunity for Advancement Toward the Goal.

Members of the TMC Steppingstone Council are those donors who made gifts of $5,000 or more to Truman Medical Center Charitable Foundation between January 1, 2009 and June 30, 2010. Through their generous giving each year, Steppingstone Council members help TMC provide the highest levels of health care – in Kansas City and in the nation. Their names are displayed on the Donor Wall of Appreciation at TMC Hospital Hill.

TRUMAN MEDICAL CENTERS LEADERSHIP

The Board members and volunteers listed on this page provide countless hours of leadership and guidance to Truman Medical Centers. These individuals are generous with their time and assistance to TMC and work together to further our mission of providing accessible, state-of-the-art healthcare to all members of our community.
